

2017 GRADUATION SIGN

Celebrate your graduate!

Each 24" x 18" waterproof yard sign will be customized with your grad's name and the school logo printed as shown. Each sign includes a metal yard stake.

Please make your check payable to **VSAA PTSA** in the amount of **\$15.00 per sign**. Orders are due by **Friday, 5/19/2017**. Because we just became aware of this opportunity, the timeline to buy a sign and get it delivered is very short. We will email all parents when we have an exact pick up date. Signs will be available for pickup by students or parents in the Gallery.
